

WHAT YOU NEED, WHEN YOU NEED IT.

OUR PRODUCTS

BMC's national supplier relationships allow us to work directly with manufacturers on your behalf, cutting out the wholesale middleman. This means better pricing, better response time and faster shipping. We can buy in bulk so you get the best deal, and then store it in our facilities until you need it shipped to your jobsite. That's what we call "right-timed" delivery.

Lumber & Building Materials

Framing and finish lumber, adhesives and sealants, moisture barriers and more.

Trusses & Wall Panels

Framing with BMC components is an efficient, reliable solution for today's builder.

Specialty Hardware

Anchors and connectors, fasteners, lateral systems and screw driving systems.

Windows & Patio Doors

Aluminum, vinyl, composite, wood and steel windows and patio doors.

Moulding & Millwork

Base, floor, crown, ceiling, door and window mouldings, columns and posts, chair rail and wall trim.

Doors & Hardware

Exterior and interior doors, door hardware and bathroom accessories.

Cabinets

Kitchen, bathroom and clubhouse cabinets, countertops and hardware.

Siding & Trim

Pre-finished, fiber cement, hardboard, wood siding and accessories.
